SUBMISSION OF REPLACEMENT DRAWING SHEET

Sir:

In response to the Notice Regarding Drawings mailed August 9, 2005, submitted herewith is a replacement sheet of Figure 1.

The Notice of Draftsperson's Patent Drawing Review which was attached to the Notice Regarding Drawings indicated that objection was made to Figure 1 because the bottom margin was not acceptable. The attached replacement sheet has an adequate bottom margin.

The Notice of Draftsperson's Patent Drawing Review includes the Comment "Please submit formal drawings with corrections per the amendments – 5-4-05." The file of the undersigned firm does not include any amendment, drawing correction, or other paper filed May 4, 2005. The only drawing correction was filed May 25, 2004. Thus, this Comment is not understood. If there is any further objection to the drawings, clarification of the Comment is respectfully requested.

Approval and acknowledgment of receipt are respectfully requested.

Respectfully Submitted,

Date: August 16, 2005
